

#4266 PEANUT BUTTER SWIRLED MILK PB RITZ

1. Spread a half-ounce of creamy peanut butter on one Ritz cracker and place another cracker on top. Press down gently so that the peanut butter does not ooze out. A half-ounce melon baller/disher works well to portion out the peanut butter. Be sure to pack loosely.
2. Dip in either milk or dark chocolate to coat completely.
3. Using peanut chocolate in a squeeze bottle, start in the center of the cracker and move towards the outer edge in a spiral motion.
