

## **CARAMEL MARSHMALLOW PUFFS**

1. Put 2 jumbo marshmallows together on the end of a stick.
2. Place marshmallows in freezer for one hour.
3. Dip into Kilwin's caramel and scrape off excess caramel.
4. If pecans are required, roll in pecans.
5. Let cool to room temperature.
6. If stripes are required, use a stripe bottle to stripe diagonally while turning the puff with the stick.
