

4619 Razzle Dazzle

1. Secure the handles of the market container together.
2. Make a backboard of blue board to exactly fit the arch of the container and handles. Wrap the blue board in Kilwin's everyday gold paper. Slide the backboard into place and stabilize it with a newspaper or Kraft paper foundation. Cover the foundation with white shred.
3. On one side of the backboard, use stickies to secure the Tutttles box.
4. On the opposite side of the backboard, attach the Nutcracker Sweet.
5. Judging by size and color, arrange the rest of the products around the container coming out to the edges of the container.
6. Add shred in back of anything that needs a little more support to stand out and secure all with pieces of stickie.
7. Stuff cosmic stardust wherever filler is needed and use a some flowers, if desired.
8. Shrink-wrap the entire container. You will have to make a large bag to fit over the entire gift.
9. Cut 4 feet (or more) of iridescent wrap and wad it up in your hands. This will bring out the colors and make the wrap sparkle. Use the wrap like a sash and ring it around the middle of the container over the handles to hide the backboard. Gather up the top and secure it with wire.
10. Make a large bow and tie it around to hide the wire. Dip two stickies in Stardust and place one under each side of the bow to add more dazzle.
11. You can add the rest of your flowers around the bow area.
