

Razzle Dazzle Basket #4619

Razzle Dazzle is a 360-degree basket. It is centered with the box of Tutttles. The handles of the market basket should be raised and tied, which will help stabilize the products. The basket should be overfilled with Excelsior as it will settle somewhat. At the same time Excelsior is helpful in making the product stand up and show. It is necessary to glue the products in the Excelsior and sometimes to each other.

Shrink-wrap the entire basket. Encircle the entire basket with the #40 wide ribbon. Put an extra large bow with long tails on the top.

Use a display sign with your price inserted (available online).
