

## 4627 Sweet Tray of Chocolate

1. Crinkle the tissue and put it on the tray.
2. Place Pecan Turtle Pretzel Rod on left and fudge on the right.
3. Tape foil wrapped candy on the fudge box for some added color.
4. Bag the tray, bringing the excess wrap to the top right hand corner of the tray.
5. Tie the loose shrink-wrap tightly with wire.
6. Shrink the bag to fit, being careful not to heat the excess so that it remains long and puffy.
7. Make a bow out of the ribbon and secure it around the wire.
8. Add ribbon streamers down each side of the tray.
