MOVING ALONG

SWEETS IN A SHELL DIRECTIONS

1. Gather ingredients and remove price tags
2. Open the clam shell.
3. Secure the box of assorted chocolates with glue dots in a way that holds the clam shell open. Yes, it can be done!
4. Secure the nut mix in back of the assorted chocolates.
5. Secure the bag of fruit medley in front of the assorted chocolates.
6. Shrink wrap the shell being very careful not to shrink it to tight or the shell will close.
7. Use 2 ½ yd of ribbon for the bow and secure to the top of the clam shell slightly to the left side.
8. With the remaining ½ yd of ribbon secure the center under the bow and secure the end loosely to the top scalloped edge of the shell.
