

4645 Chocolatier's Choice (Top 20 Sellers)

1. Gather all the ingredients and remove the price tags.
2. Open the picnic basket and proper the lid at a 90-degree angle to the bottom.
3. Fill the suitcase bottom with parchment-colored shred.
4. Starting from left to right, on the diagonal, place the window boxes in the following order: Dark pecan bark, dark cashew Tutttles, dark orange peel, milk cashew Tutttles, milk coconut clusters, and almond toffee crunch. Secure with glue dots as needed, placing them so the product labels and a little of the product shows through the window.
5. Place the square acetate of mixed caramels in the front right corner.
6. To the left side of the container place the rectangular acetates of Chocolate assortment and mixed milk and dark pecan Tutttles.
7. Place and secure the round acetate of mixed cherry cordials
8. For display add the plaid ribbon around the container. This will hold the basket open.
9. Add a nice bow on top.
10. If shipping, shrink-wrap the container and add the bow or pack everything inside the container, close the lid and then add the bow.

Use a display sign with your price inserted (available online).
