

Bride and Groom Shortbread

*For the bride:

- Using a four-pronged dipping fork, dip in coating, shake and lightly scrape off the excess coating.
- After coating starts to harden, pipe necklace and lace with a #3 pastry tip held on the end of a stripe bottle, holding the bottle at a slight angle to apply.

*For the groom:

- Dip the short side of the cookie in white coating about 1/3 of the way up the shortbread, shake and lightly scrape off the excess coating.
- Let harden.
- Dip one side in dark chocolate and then the other side in dark chocolate to make a (v) with the white coating showing.
- Using a stick make buttons and bow tie with dark chocolate.

*Note that the groom is upside down from the tuxedo shortbread.
