

## **Krispie Ice Cream Cone Milk with White and Sprinkles on a Stick**

- Cut out rice krispie treat using a cookie cutter.
- Insert stick in tip of cone of krispie.
- Dip milk on the bottom of the krispie (bottom tip of cone) with chocolate veil or spoon, shake and lightly scrape off excess coating, leaving the ice cream part of the krispie uncoated.
- Let harden.
- Dip ice cream part of krispie in white coating, shake and lightly scrape off excess coating.
- Add sprinkles, as needed.
