

Tuxedo Shortbread

- Holding the short side of the shortbread, dip into white coating approximately 1/3 of the way up the shortbread, shake and lightly scrape off the excess coating.
- Let harden
- Dip one side in dark and then the other side in dark to make a (v) with the white coating showing.
- Let harden.
- Using a stick, make buttons and/or bow tie with dark chocolate, as needed.
- Stripe as needed using striping bottle.
