

4266 PEANUT SPRINKLED MILK PB RITZ

1. Spread a half-ounce of creamy peanut butter on one Ritz cracker and place another cracker on top. Press down gently so that the peanut butter does not ooze out. A half-ounce melon baller/disher works well to portion out the peanut butter. Be sure to pack loosely.
2. Dip in either milk or dark chocolate to coat completely.
3. Sprinkle chopped peanuts on top after dipping in chocolate.
